AMENDMENT

Sir:

In response to the Office action of January 11, 2005, please amend the above-identified application as follows.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

PATENT APPLICATION FEE DETERMINATION RECORD

Substitute for Form PTO-875

Application or Docket Number

20/750,033

CLAIMS AS FILED - PART I

* If the difference in column 1 is less than the entry in column 2, enter "0" in column 2.

* If the difference in column 1 is less than the entry in column 2, enter "0" in column 2.

* If the difference in column 1 is less than the entry in column 2, enter "0" in column 2.

* If the difference in column 1 is less than the entry in column 2, enter "0" in column 2.

This form is to be used to determine the fee for a patent application. It is to be filled out by the applicant or the attorney for the applicant. The fee is determined by the number of claims filed and the number of independent claims. The fee is also determined by the type of entity (small entity or other than small entity). The fee is also determined by the type of amendment (amendment A, amendment B, or amendment C). The fee is also determined by the type of claim (independent claim or multiple dependent claim). The fee is also determined by the type of invention (first invention or subsequent invention). The fee is also determined by the type of application (provisional application or non-provisional application). The fee is also determined by the type of filing (regular filing or accelerated filing). The fee is also determined by the type of examination (examination or non-examination). The fee is also determined by the type of publication (publication or non-publication). The fee is also determined by the type of grant (grant or non-grant). The fee is also determined by the type of maintenance (maintenance or non-maintenance). The fee is also determined by the type of extension (extension or non-extension). The fee is also determined by the type of appeal (appeal or non-appeal). The fee is also determined by the type of review (review or non-review). The fee is also determined by the type of opposition (opposition or non-opposition). The fee is also determined by the type of reexamination (reexamination or non-reexamination). The fee is also determined by the type of post-grant review (post-grant review or non-post-grant review). The fee is also determined by the type of inter partes review (inter partes review or non-inter partes review). The fee is also determined by the type of trial (trial or non-trial). The fee is also determined by the type of appeal (appeal or non-appeal). The fee is also determined by the type of review (review or non-review). The fee is also determined by the type of opposition (opposition or non-opposition). The fee is also determined by the type of reexamination (reexamination or non-reexamination). The fee is also determined by the type of post-grant review (post-grant review or non-post-grant review). The fee is also determined by the type of inter partes review (inter partes review or non-inter partes review). The fee is also determined by the type of trial (trial or non-trial).
